

## Works on park begin

Sibu, Tues.— Works on the \$3.5 million proposed Taman Bukit Aup has begun at the abandoned quarry site about 10km from here.

The project begins with the construction of the recreational zone. It is expected to be completed in October, 1992.

The site office has been erected near the quarry pool. Levelling and earth filling works began last week.

Levelling work in progress.

Up goes the temporary office.
